Hi Bert. Sharing this document from Holly. I had planned to go in and do a final read and saw some edits that I'd like to make but I can't view the doc on my phone. And the battery on my laptop died and I forgot my charger. Arghhh. Holly and Erin reviewed. We may get a couple edits from HQ but they have reviewed the core information once already. Had wanted to do some cleanup in a couple of spots but I won't be able to until late Monday.

Thanks

Hi - attached is the ND WQS briefing paper with revisions from Corey Buffo. I'll send a follow-up email to you to explain. Thanks.
